

Lifetime Ownership Guarantee

If for any reason you are unhappy with the work provided by Paintless Dent Repair NI Limited, you can rest assured that your repair is guaranteed for as long as you own the vehicle. **You will need** to provide your original Paintless Dent Repair NI invoice as proof of purchase.

Please note that our Lifetime Ownership Guarantee is with the customer, not the manufacturer and only applies to repairs to vehicle bodywork. Alloy wheel repairs come with a one year guarantee which only applies if no further damage to the wheel has occurred since the repair.

Important: You must have observed our Aftercare instructions. No guarantee is offered against damage to the finish caused by any corrosion or rust. No guarantee is offered against failure of a previous aftermarket paintwork repair completed by a third party. No guarantee is offered against further accidental damage or impact, normal wear and tear including stone chipping and inappropriate aftercare once the vehicle has been returned to the customer.

Paintless Dent Repair NI aims to deliver outstanding service and quality to you and all our customers.

We do this through:

- **High quality paint repairs using only the best products**
- **Our commitment to delivering outstanding customer service**
